Smart Noise Filtering

Acoustic Shield

3W speaker

Shield Strong, Stay Safe

Yealink T7 Series features **Three Rings of Security—Core Ring ensures device integrity** by preventing tampering and unauthorized access; **Shield Ring protects network connections** against intrusions and attacks; and **Guard Ring secures transmission** by protecting signaling, media, and user data in transit and at rest.

Core Ring: Device Integrity

Shield Ring: Network Protection

Guard Ring: Transmission Security

Connect Fast, Link Freely

The latest built-in **Wi-Fi 6** (only -W models) and **Bluetooth 5.0** provide more device coordination and flexible network connectivity.

Bluetooth 5.0

Smarter UX, Seamless Work

Streamlined UI makes easy access to more functionalities, like **Accessibility Mode and Dark Theme**.

Light / Dark Mode

Accessibility Mode

Talk Green, Think Future

Adoption of green packaging and **power-saving mode** to reduce plastic waste, carbon footprint for sustainability.
