

## Business Resources Access (PSTN)

### INFORMATION ABOUT THE SERVICE

Here's a quick summary of all the important bits about your **Business Resources Access** plan.

It covers things like the length of your contract and how much you need to pay each month.

#### Minimum Term

The minimum term is **24 months**.

#### What's Included and Excluded?

This plan allows optional access to a special \$50 Unlimited ADSL2+ plan which is not available separately.

For the avoidance of doubt, there are no other special inclusions.

### INFORMATION ABOUT PRICING

The minimum monthly charge is **\$34.95**, plus any applicable call charges.

The total minimum amount that you'll pay over the period of your agreement is **\$838.80**.

All prices include GST.

#### Early Termination

If you choose to cancel your service or it is disconnected for any reason within the **24 month** contract term you will be charged an early termination fee (ETF) comprised of the minimum monthly charge, multiplied by the months remaining in your contract, plus any remaining hardware fees if applicable.

#### Standard Call Charges

<b>Calls to Local Numbers</b> - 18c per call
<b>Calls to National Numbers</b> - 16c per minute
<b>Calls to Mobiles</b> - 32c per minute
<b>Calls to 13/1300 Numbers</b> - 45c per minute

Timed calls are billed in one second increments

#### Calls to International/Premium Numbers

Different rates apply to call International numbers. Calls are charged per minute block. For all International rates, see [www.telair.com.au](http://www.telair.com.au).

190x is the prefix for premium rate services such as recorded information, competition lines, etc. These types of calls often have very high rates which are outside of Telair's control.

You can request calls to International and/or Premium services be barred by contacting us by phone or email. Call barring can take up to two business days to take effect.

Telair accepts no responsibility or liability for excessive International or Premium call charges. It is highly recommended customers make use of our online billing portal to monitor unbilled call charges, and contact us immediately should you wish to enable call barring.

### OTHER INFORMATION

#### Connection Charges

- Existing telephone line without a technician visit: \$59
- Existing telephone line with a technician visit: \$125
- New telephone line with a technician visit: \$299
- Additional telephone line, same technician visit: \$179

#### Connection Timeframes

Once we've accepted your application, we'll try to connect your business phone service on the date you ask for, however, this might not always be possible.

If there has been a previous working business phone service at your property and we can reconnect it without having to visit your property, the local telephone exchange, or anywhere in between, then we aim to connect the service within two working days of your request.

If this isn't possible, then we aim to connect your service within five to fifteen working days, depending on your location.

#### Billing

We will bill you in advance for the minimum monthly charge and features. Your first bill will include charges for part of the month from when you took up your plan until the end of that billing cycle, as well as the minimum monthly charge in advance for the next billing cycle.

#### We're here to help
