If this isn't possible, then we aim to connect your service within five to fifteen working days, depending on your location.

#### Other Charges

**ACT Utilities Tax:** If your telephone line is at an address within the ACT Government area, including the Jervis Bay area of NSW, you may be charged an ACT Government Utilities Tax Charge in addition to the Minimum Monthly Charge. We charge this annually based on the number of services you have in the ACT Government area. **Port-out Fee:** Porting away from Telair incurs a \$115.00 charge per request and may result in an Early Termination Fee if the service is still under contract - note, port out charges do not apply if simply churning to another provider on the same landline infrastructure network. **Early Disconnection Fee:** Regardless of contract term, if a landline is disconnected within three months of connection as a new service, a \$135.30 charge will apply.

We will bill you in advance for the minimum monthly charge and features. Your first bill will include charges for part of the month from when you took up your plan until the end of that billing cycle, as well as the minimum monthly charge in advance for the next billing cycle.
