

INFORMATION ABOUT THE SERVICE

SERVICE DESCRIPTION

This is a post-paid data-only mobile service, which gives you access to our network, a mobile phone number, and mobile data for use in an LTE-enabled device for internet access.

MINIMUM TERM

These plans are available terms of **1, 12, 24 and 36 months**.

WHAT'S INCLUDED AND EXCLUDED

4G & 5G Network Access - all plans are accessible over 4G, with some plans as listed in the table below also including access to the 5G network. Download speeds are capped at 100Mbps on 4G, and 250Mbps on 5G.

This service cannot be used for making calls and sending SMS/MMS to domestic or international numbers, directory services, satellite numbers, video MMS, Machine to Machine, eSIM or when roaming overseas.

INFORMATION ABOUT PRICING

PRICING

All pricing in this document includes GST.

Excess usage charges will apply if you exceed your pooled monthly data allowance. The first 50GB of excess usage will be charged at **\$70 per 10GB block**, or \$0.006836 per MB. Any further use is then charged at **\$0.020625 per MB**, calculated per KB of usage.

Opt-in to Zero Bill Shock to block any data usage that would incur excess usage charges to your bill.

EARLY TERMINATION

If you cancel your service or it is disconnected within the minimum contract term, you will be charged an Early Termination Fee (ETF). This will be calculated as your monthly access fee, plus any monthly hardware rental fees, multiplied by the months remaining in your minimum contract term.

USING YOUR SERVICE OVERSEAS

International roaming is not supported on these plans.

PROMOTIONAL OFFERS

Pricing on this Critical Information Summary is reflective of the standard offer for this service only and does not take into account any promotional discounts or custom pricing.

AVAILABILITY

The service will also only work in areas with sufficient 3G or 4G mobile data coverage. Some plans are also able to utilise 5G mobile networks, as indicated in the table below (capped speeds apply).

To access 5G, you will need a 5G enabled plan, a 5G compatible device, and to be in the Telstra Wholesale 5G coverage area. See "Coverage" for further info.

Data Share - combine the included data of up to 300 total Telair Mobile and Data services on Data Share plans. All eligible services consume data from the shared pool.

Included data cannot be used while roaming overseas. Any unused data at the end of each monthly period is forfeited.

Static IP addresses are not available for these services.

*Download speeds for each plan are capped at either 100Mbps or 250Mbps as indicated in the table above. This is the maximum potential download speed. Typical speeds may often be slower and will vary due to factors such as location, device capabilities, distance from the base station, local conditions, concurrent users, hardware and software configuration and download/upload destination.

OTHER INFORMATION

USAGE

The service must not be used to generate mobile terminating access or SMS messaging terminating access payments (for example, by using SIM boxing), to transmit, refile or aggregate domestic or international traffic on the network, as a call collection service and/or for the call redirection to call centres, call sinks or mass termination services, in such a way that use of the service is automatically generated by a device controlled by software and/or hardware, or with devices that switch or reroute calls to or from Telstra's network or any third party without Telstra's consent. Any such usage will result in suspension of your service.

Telair's Fair Use and Acceptable Use Policies apply which can be found on our website.

You can monitor your monthly usage using our online portal: <https://managemyaccount.com.au/index.php?r=site/login&id=159>

EQUIPMENT

You will need to supply your own 4G LTE or 5G NR enabled tablet or other data-only device to use these plans. Devices used with a 5G plan that are not capable of 5G will only receive 4G service coverage.

SERVICE SPEEDS

Speeds may vary due to factors such as location, device capabilities, distance from the base station, local conditions, concurrent users, hardware and software configuration and download/upload destination.

COVERAGE

Telair's mobile product provides a mobile coverage footprint of 98.7% of the Australian population, covering more than 1.6 million square kilometres.

BILLING

Your monthly charges and inclusions are metered and billed from the 28th to the 27th of each month. Plan changes made before the 27th are not eligible for pro-rata discounts and will be charged in full for the current month.

We will bill you in advance for the minimum monthly charge and features. Your first bill will include charges for part of the month from when you took up your plan until the end of that billing cycle, as well as the minimum monthly charge in advance for the next billing cycle. Bills will be emailed to your nominated billing contact as part of our commitment to protecting the environment.
