### INFORMATION ABOUT PRICING (cont...)

#### USAGE & PROMOTIONAL DISCOUNTS

Pricing on this Critical Information Summary does not take into account any promotional discounts or custom pricing.

#### Smartnumbers®

If you would like to use a specific telephone number, you need to check its availability at [www.thenumberingsystem.com.au](http://www.thenumberingsystem.com.au). If the number is available and you successfully purchase it, you will need to notify Telair of the full telephone number, in addition to the EROU number so that we can activate the service for you.

Please note: Telair has no control over Smartnumber® pricing, this is controlled by the ACMA.

#### GOVERNMENT LEVY

The Government Levy is applicable to all 6-digit One3 (13x xxx) and One8 (18x xxx) numbers, which incur a charge per month in accordance with the Telecommunications (Numbering Charges) Act 1997. The Government Levy is subject to change at any time, including within the minimum contract term.

### OTHER INFORMATION

#### CONNECTION TIMEFRAMES

New Inbound connections typically take between five and ten business days. Porting existing Inbound services from another Service Provider usually takes up to twenty business days.

#### BILLING

We will bill you in advance for the minimum monthly charge and features and in arrears for calls (if applicable). Your first bill will include charges for part of the month from when you took up your plan until the end of that billing cycle, as well as the minimum monthly charge in advance for the next billing cycle.
