#### MINIMUM TERM

The minimum term for these plans is **24 months**.

### WHAT'S INCLUDED AND EXCLUDED

**Data Bank** - retain up to 500GB of unused data and carry it forward into the next month, giving you more data to use than just your allocated quota. Banked data cannot be used while roaming overseas. Any unused data at the end of the month which would exceed the maximum allowed balance of 500GB is forfeited.

Downgrading to a smaller plan, changing to a plan not listed on this CIS, and cancelling or porting away your service from us will forfeit any banked data. Any banked data cannot be "gifted" or transferred to another service.

This service **cannot** be used for making calls and sending SMS/MMS to domestic or international numbers, directory services, satellite numbers, video MMS, Machine to Machine, eSIM capabilities or when roaming overseas.

**Static IP** addresses are not available for these services.
