#### MINIMUM TERM

The minimum term for this plan is **24 months**.

### WHAT'S INCLUDED AND EXCLUDED

**Unlimited national call and text value** - with your monthly plan allowance you can make unlimited standard national calls to fixed and mobile numbers, including unlimited standard SMS and MMS, voicemail retrieval, and calls to 1800 and 13/1300 numbers.

This unlimited included value **cannot** be used for making calls and sending SMS/MMS to international numbers, directory services, satellite numbers, video MMS, or used when roaming overseas. These will incur excess usage charges to your monthly bill. Calls and SMS/MMS to premium numbers (e.g. 19x/189x/VPN numbers), Sensis calls or other content charges (including third party charges) are barred.

**Data Bank** - retain up to 200GB of unused data and carry it forward into the next month, giving you more data to use than just your allocated quota. Banked data cannot be used while roaming overseas. Any unused data at the end of the month which would exceed the maximum allowed balance of 200GB is forfeited.

Downgrading to a smaller plan, changing to a plan not listed on this CIS, and cancelling or porting away your service from us will forfeit any banked data. Any banked data cannot be "gifted" or transferred to another service.

**Unlimited international call and text value** - some plans as listed in the table below include unlimited calls and texts to international landlines and mobiles (unless otherwise indicated) to 15 countries: China, Germany, Greece, Hong Kong, India, Indonesia, Ireland, Malaysia, New Zealand, Singapore, South Korea, Thailand (Landlines only), United Kingdom, USA (Landlines only), Vietnam. This call value cannot be used while roaming overseas.
